So what's next for SKSS? As of this most recent documented PDC violation SKSS now has three strikes (warnings) so the next time PDC scores a PDC violation that will be subject to a Brief Hearing held by PDC. Each infraction found to be not in dispute nets them \$100 fine for each and every infraction PDC determines was committed.

What is a PDC Brief Enforcement Hearing?

The brief enforcement hearing is used to adjudicate cases when the charges are relatively minor and the facts are not in dispute. The maximum penalty that may be assessed is \$1,000. The Chair of the Public Disclosure Commission, or another Commissioner presides over the hearing of the full commission.
