Berg is qualified to help lead South Kitsap's schools

Patricia Ryan, Brownsville Published 12:21 p.m. PT July 17, 2019

Because I do not live in the South Kitsap School District, I cannot vote for that community's school board members.

But one candidate is an outstanding gentleman who has impressed me with his knowledge and ability to run meetings in a prudent and fair manner. I have observed him in such a role at a statewide conference. If ever there was a time to elect to the board a person who is both knowledgeable and calm, who understands students, teachers and administration, that time is now.

That eminently qualified person is John R. Berg.
