## About Your Board of Directors

Five citizens serve on the South Kitsap School District Board of Directors, each representing one of the five director districts that make up the school district. Registered voters within the school district's boundaries elect Board members to four-year terms.

“South Kitsap Schools are an integral part of our community and our community is an integral part of our schools. Through finding common ground, creating shared knowledge, and pursuing collaboration we can ensure the success of both. South Kitsap Schools are committed to nurturing, inspiring and building our citizens and community of today and tomorrow.”
