SKSD POOL COSTS NOW EXCEED \$11.4 MILLION

District officials estimate the pool project will cost \$5.24 million for design, permitting and construction to repair and upgrade the pool and its systems, locker rooms and the roof among other building and system upgrades. That makes it the largest endeavor on the list of projects to be paid for by the [district's 2018 capital levy](#). The estimate includes "contingency" funding for unforeseen cost overruns.
